

LIST OF TABLES

Table 1.1. Final Validation School Sample.....	7
Table 3.1 Sample Characteristics by Response Status (High Schools).....	38
Table 3.2 Characteristics of High Schools by Middle-Grade Feeder School Response Status	39
Table 3.3 High School Principal Report of Coverage of CAHSEE ELA Standards	40
Table 3.4 High School Principal Report of Coverage of CAHSEE Mathematics Standards .	41
Table 3.5 Middle-Grade Feeder School Principal Report of Coverage of California ELA Content Standards	41
Table 3.6 Middle-Grade Feeder School Principal Report of Coverage of California Mathematics Content Standards.....	41
Table 3.7. How is Student Mastery of Content Standards Tracked?	42
Table 3.8. How Fully Developed is Coordination Among Various Programs?.....	42
Table 3.9. Type of Articulation by Subject—High School Teachers	44
Table 3.10. Type of Articulation by Subject—Middle-Grade Feeder School Teachers.....	45
Table 3.11. Number of Courses Covered with Survey Responses by School Level and Subject.....	45
Table 3.12. Distribution of Courses by Subject, Type, and Students Served	46
Table 3.13. Year Each Type of Course was Introduced.....	47
Table 3.14 Course Coverage of Content Standards by Year Textbook Was Adopted	48
Table 4.1. Approximate Passing Rates for the Class of 2004 (Through Jan. 2003)	64
Table 4.2. Percent of Schools with High, Moderate, Low, and Very Low Passing Rates.....	65
Table 4.3. Percent of Schools with High Passing Rates (> 75%) by Time of Implementation of Standards-Based Instruction (SBI)	66
Table 4.4. Teachers' Evaluation of How Well Students are Prepared for Their Course	67
Table 4.5. Percent of Students in the Class of 2004 Scoring at Least Basic on the California Standards Test in the Previous Year	68
Table 4.6. Interview Responses About the Quality of Student Preparation by High School Subject.....	69
Table 4.7 Interview Responses about the Quality of Student Preparation by Middle-Grade Feeder School Subject.....	69
Table 4.8. Percent of Teachers Receiving Professional Development in Teaching the Standards (Last 12 Months)	70
Table 4.9. Proportion of Teachers with Appropriate Credentials	71
Table 4.10. Teacher Experience with Special Populations	72
Table 4.11 Other Factors Limiting Course Effectiveness.....	73
Table 5.1 Percent of 8 th Graders Taking Algebra	86
Table 5.2 Timeline of Key Events	87
Table 6.1 Percent of Students Passing the CAHSEE in March 2003	96
